The CTC Difference

True Partners/Personally Invested

We are true partners to our colleagues and clients and personally invested in their successes. Our bottom line is helping every client achieve its mission and providing our employees with unique and challenging professional opportunities.

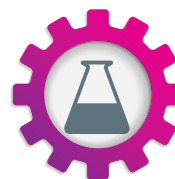

In-Depth Experience

Our staff includes some of the nation's best minds and the most experienced hands-on professionals. We operate national centers of excellence and have been awarded a number of competitively bid prime contracts with values ranging from several million to over \$400 million. CTC has also been awarded a number of large, competitively bid, multiple award, Indefinite Delivery, Indefinite Quantity prime contracts with potential value in the hundreds of millions of dollars. In addition, CTC has received a number of subcontractor awards from large, medium, and small businesses.

Dedicated to Excellence

- ISO 9001:2015 (Quality)
- ISO 14001:2015 (Environmental)
- AS9100D:2016 (Quality – Aerospace Related Products)
- OSHA VPP Star (Health & Safety)

Large-Scale Infrastructure

To test and transfer new technologies, CTC operates a variety of state-of-the-art laboratories and large-scale demonstration facilities with adequate space to demonstrate, evaluate, educate, and meet client needs.
