### **Concurrent Technologies Corporation Recognized as a “Best for Vets” Employer by *Military Times EDGE* Magazine**

**Johnstown, PA, September 9, 2010** – Concurrent Technologies Corporation (*CTC*) announced today that it is ranked among the top ten on *Military Times EDGE* magazine’s list of “Best for Vets” employers for 2010. *CTC* placed nine out of 50, ahead of many well-known, multi-billion dollar organizations.

“*CTC* is honored to be recognized as a ‘Best for Vets’ employer,” said Edward J. Sheehan, Jr., *CTC*’s President & Chief Executive Officer. “Our ranking on this list acknowledges our work to recruit and retain quality active duty and veteran military employees. In addition to this most recent recognition of our commitment to service men and women, *CTC* has won the prestigious Pro Patria, Liberty Bell, and Patriot Awards from the Employer Support of the Guard and Reserve. *CTC* also was recently named one of the Most Valuable Employers for Military by *CivilianJobs.com*.”

*Military Times EDGE* online and print magazines provide news and information to service men and women about education and careers in the military and civilian sector. To develop this year’s ranking, *Military Times EDGE* reviewed companies from the Fortune 1000, Defense News Top 100, and Federal Times’ GSA 250 Vendors lists. Companies were evaluated on factors relating to military employees including recruiting; training and mentoring; corporate culture; and reserve policies.
